

## **Service-Learning Trips 2024**

Service-learning trips are an incredible opportunity to engage and learn from other cultures, connect with our global partners, and participate with what God is doing around the world!

### **Texas Border – May 3-6, 2024 & Oct. 11-14, 2024**

An immersive experience which allows participants to experience and gain a deeper understanding as the realities at the US/Mexican border, engage in relationship with migrant families, and respond in practical ways.

### **Kitale, Kenya – August 5-17, 2024**

A family friendly opportunity to learn from our Kenyan friends how they are reintegrating thousands of children living on the streets back to loving families! Participants will experience direct street outreach as well as provide support and love to vulnerable children.

### **Pattaya, Thailand – Sept 27 – Oct 11, 2024**

A highly educational opportunity to learn first-hand the harsh realities of trafficking and exploitation, and offer relationship, hope and opportunities for vulnerable women. We will engage in direct outreach on the streets and offer practical support at the freedom centers.

### **Kurdistan, Iraq – October 2024**

An eye-opening experience which allows participants to understand the challenges facing refugees around the world. Participants will hear stories, offer relationship, and serve in practical ways a population of people who have little to know access to hear about Jesus.

### **Israel/Palestine – November 8-18, 2024**

Journey with us to the Holy Land, hearing the multi-narrative story of this region through both Israeli and Palestinian voices. Through this experience, we hope to broaden our perspective and learn helpful forms of peacemaking that we can apply back home.
